Features & Benefits

Huge 224L Capacity

Maximum capacity, endless results. Creating as much space as possible, our combined 224L capacity ovens give you the versatility of cooking the largest roast and baking desserts for the masses all at once.

1

Oven 1: 41L Compact Oven with Grill

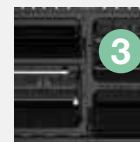

Perfect for efficiently cooking small meals, the small oven combines a conventional oven with a multi-function grill.

2

Oven 2: 71L Multi-function Oven for Perfect Results

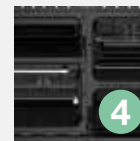

With 13 settings to choose from such as Fan and Conventional options, Pizza function, Grill settings and more, you can perfectly cook anything from pavlova to pastizzi with ease.

3

Oven 3: 71L Equiflow™ Oven

Features 5 essential settings: Equiflow™ Fan Forced Cooking, Slow Cook, Keep Warm, Bread Proving and Light.

4

Oven 4: 41L Slow Cook Oven

A dedicated Slow Cook Oven perfect for using your favourite cast iron dish to cook tender and tasty slow cooked meals. Also ideal to use as a plate warmer.

Induction Cooktop

5 zone induction hotplate with EuroKera glass and a digital display. Touch slide controls and 10 power levels including boost. Induction features include Timer, Child Safety Lock, Pan Detection, Overheat Pan Detection, Individual Residual Heat Indicators and preset functions.

Additional Features

Includes removable double extending telescopic runners, a large easy to read white LED display and touch control screen, full width oven pans, premium knobs and rear wheels.
