Features & Benefits

Quad Oven Technology™

Market leading technology combining the Proflex™ Splitter and Equiflow™ twin fans. Transforms three ovens into four, giving you more flexibility when you need it.

Huge 195L Capacity

Maximum capacity, endless results. Creating as much space as possible. Our combined 195L capacity ovens give you the versatility of cooking the largest roast and baking desserts for the masses, all at once.

1

Oven 1: 37L Compact Oven with Grill

Perfect for efficiently cooking small meals, the small oven combines a conventional oven with a multi-function grill.

2

Oven 2: 64L Multi-function Oven for Perfect Results

With 13 settings to choose from such as Fan and Conventional options, Pizza function, Grill settings and more, you can perfectly cook anything from pavlova to pastizzi with ease.

3

4

Oven 3 & 4: 94L Oven with Quad Oven Technology™

Giving you the flexibility of a large oven capacity or two independent ovens using Quad Oven Technology™. The Proflex™ Splitter creates two independent sealed ovens while the Equiflow™ Twin Fans maintain even and independent temperatures.

Induction Cooktop

5 zone induction hotplate with EuroKera glass and a digital display. Touch slide controls and 10 power levels including boost. Induction features include Timer, Child Safety Lock, Pan Detection, Overheat Pan Detection, Individual Residual Heat Indicators and preset functions.

Additional Features

Includes removable double extending telescopic runners, a large easy to read white LED display and touch control screen, full width oven pans, premium knobs and rear wheels.
