

60cm Induction Cooktop

Flex Induction Cooktop with Bonus Teppanyaki Plate

BONUS TEPPANYAKI PLATE

Features & Benefits

Schott Ceran Glass

Black stylish glass ceramic cook top with bevelled sides

4 Elements

Induction cook top with 4 elements featuring 2 flex zones. Flex zones can be used as one flexible zone or two individual zones depending on your cooking needs

Touch Control

White LED SmartWheel touch control with digital power display

Additional Functions

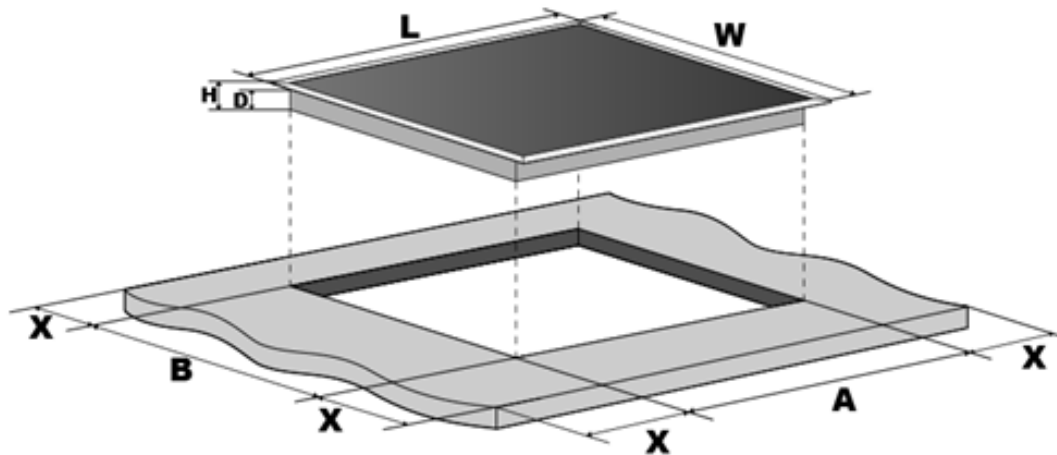

- Boost function - use the boost function to bring your cookware to temperature faster
- Smart Zone function - automatically detects when a pan has been placed onto a cooking zone
- Keep Warm function - after cooking simply activate the keep warm function for the zone you have been cooking on to keep your food warm
- Teppanyaki function - automatically turns your cooktop into one flexible zone with 3 heat settings to easily cook with your teppanyaki plate

Additional Features

Includes a digital timer on each element, automatic safety switch off, child lock, pause key and hot hob indicators

2 Year Warranty
