

# 45cm Combination Steam MW Oven

34L Multifunction Oven with Steam, Microwave, Grill and Convection

## PRODUCT FEATURES

### 34 LITRE OVEN CAPACITY

Maximum capacity, endless results. With a 34 litre total oven capacity, you have the freedom to cook whatever your heart desires.

### DIGITAL PROGRAMMER

The programmable timer allows you to set a simple minute minder as well as program your start time and cooking duration, for ultimate flexibility.

### COOKING WITH STEAM

Achieve amazing flavour and help retain nutrition in your food thanks to the Belling steam generation system – evenly distributing the steam to keep your food moist whilst cooking to perfection.

### AUTOMATIC PROGRAMS

The 80 pre-installed programs automatically optimise your oven settings according to the type of food or dish you want to cook. Simply select the program you require and the oven will apply the correct combination of steam, microwave or convection heat for precise results every time.

### AUTO OPEN WATER TANK

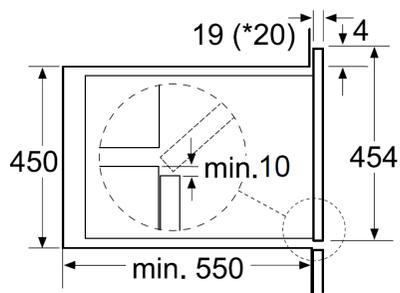

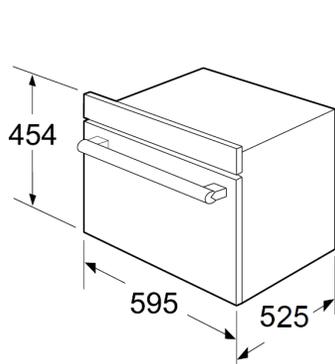

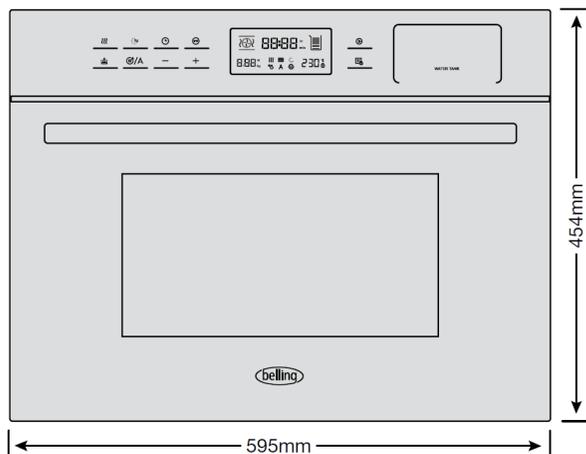

For an ultra-sleek finish, the water tank is discretely located within the control panel. When access to the 1L water tank is required, the tank door will automatically open with the press of a button.

### BELLING FAMILY

Matching finishes to the Belling Design Collection range provides a high-end, stylish look to any kitchen.
