

60cm Black Enamel Gas Cooktop 4 Burner with Premium Cast Iron Trivets

Colour option

Also available in Stainless BCT60GCSS

MADE IN
ITALY

Features & Benefits

Premium Black Enamel

High grade scratch black enamel made from a process that bakes the enamel at over 800°C making it highly resistant to scratches and easy to clean

4 Burners with Front Left Wok

Italian made burners including a 14.9MJ double crown wok burner provide precise control and even heat distribution; perfect for a variety of foods

Cast Iron Trivets

Heavy duty cast iron trivets provide a stable cooking surface so pans can easily move across the burners. Includes a cast iron wok trivet

Flame Safety

Flame safety devices in every burner. If the flame goes out accidentally, the gas cuts out automatically

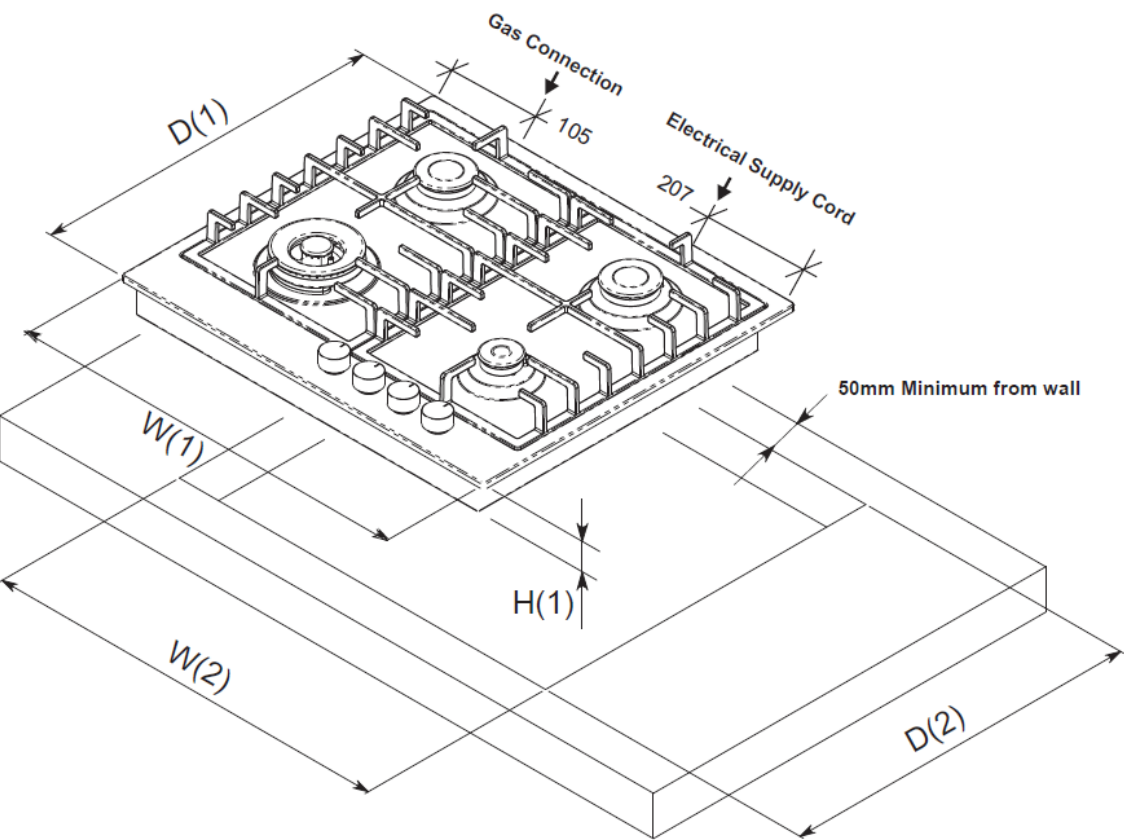

Easy to Use Controls

Easy to access front controls include one-hand electronic ignition via each control knob

Belling Family

Matching finishes to the Belling Black Series ovens provides a sleek look to any kitchen
