YEAR  
WARRANTY

### Colours

Black: BFS54SCCG

## Features & Benefits

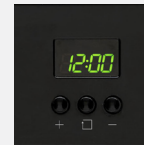

### 85L Multi-function Oven

With 8 settings to choose from including Fan Forced, Conventional, Defrosting function, Grill settings and more; you can perfectly cook anything from pavlova to pastizzi with ease.

### Ceramic Cooktop

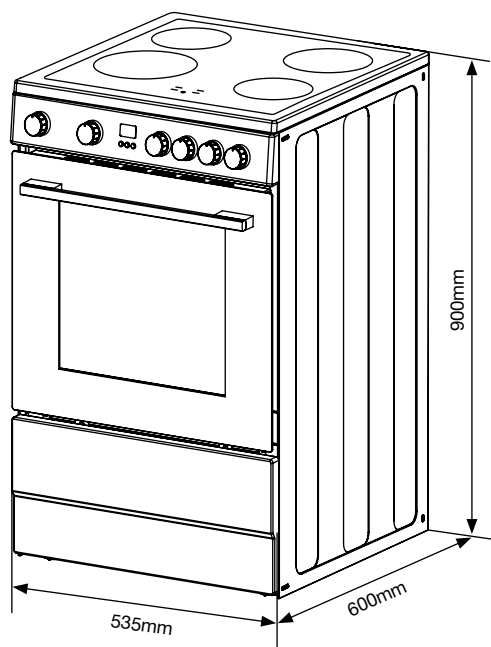

4 elements with variable temperature control, includes 1 extendable zone for large pots and pans. Features an easy to clean glass surface and residual heat indicators.

### Additional Features

Includes an LED display with push button controls, programmable timer and minute minder, storage drawer and full width oven pan with wire rack.

## Functions

If this appliance is installed near vinyl wrapped surfaces, we strongly recommend using an installation kit available from the vinyl-wrap supplier. Belling cannot accept any responsibility for damage caused due to installation into cabinets with low temperature tolerances.

We reserve the right to make changes to products when considered necessary, without affecting the essential safety and operating characteristics. Whilst every effort is made to produce up to date literature, this document should not be regarded as an infallible guide.
